

Upcoming Training Opportunities

NCJTC

National Criminal Justice Training Center
Fox Valley Technical College

As a leading national criminal justice training organization, NCJTC delivers quality innovative training, expert instruction, and technical assistance solutions for combating prevailing public safety and community challenges. Please take a look at upcoming training opportunities happening across the nation. **To view all training opportunities, visit ncjtc.org/training.**

Onsite and Virtual Classroom Training

NCJTC is proud to offer two formats for classroom training: Live Online Instructor Led and Onsite (In person). Both formats are real time and offer participant interaction with live instructors and other participants. Some of our most popular classes are offered in both an online and onsite format, while other classes are strictly onsite due to the nature of the training. We want you to get the most out of your training with the utmost flexibility.

Visit ncjtc.org/cacclassroom for more information.

Self-Paced Training Courses

Professionals like you need flexibility. NCJTC offers 40 self-paced courses, taught by subject matter experts actively working in their field. They are available when it is convenient for you.

Visit ncjtc.org/cacselfpaced for more information.

Live and Recorded Webinars

Participate in a live webinar or view one of our 222 recorded webinars. Each month you will find new upcoming live webinars, which are recorded for future replay. Webinar topics include child abuse and neglect, child sex trafficking, victims and high risk populations, and many others.
